# TATAMI

Pavimento deportivo modular y para uso en interior.  
Presentado en planchas, formato 100cmx100 cm, bicapa, con la superficie de uso coloreada y encajables entre sí mediante colas de milano (Puzzle).

De gran resistencia al uso y con gran poder de amortiguación de impactos.

Ideal para la práctica de artes marciales.

Muy resistente a la abrasión y a la huella remanente.

No precisa de pegado a suelo para su aplicación.

Antideslizante y no bloqueante. Libre de PVC

Interlocking sport flooring for indoor purpose.

Exhibited in square meter tiles made in two layers.

The top layer is coloured and has good friction resists. Non slip, and rebound property.

Perfect for martial arts use.

Lower layer is white with excellent shock absorption.

Does not need gluing during installation. It is modular and assembled like a puzzle.

PVC free.
